

Specializing in commercial refrigeration sales and service since 1946

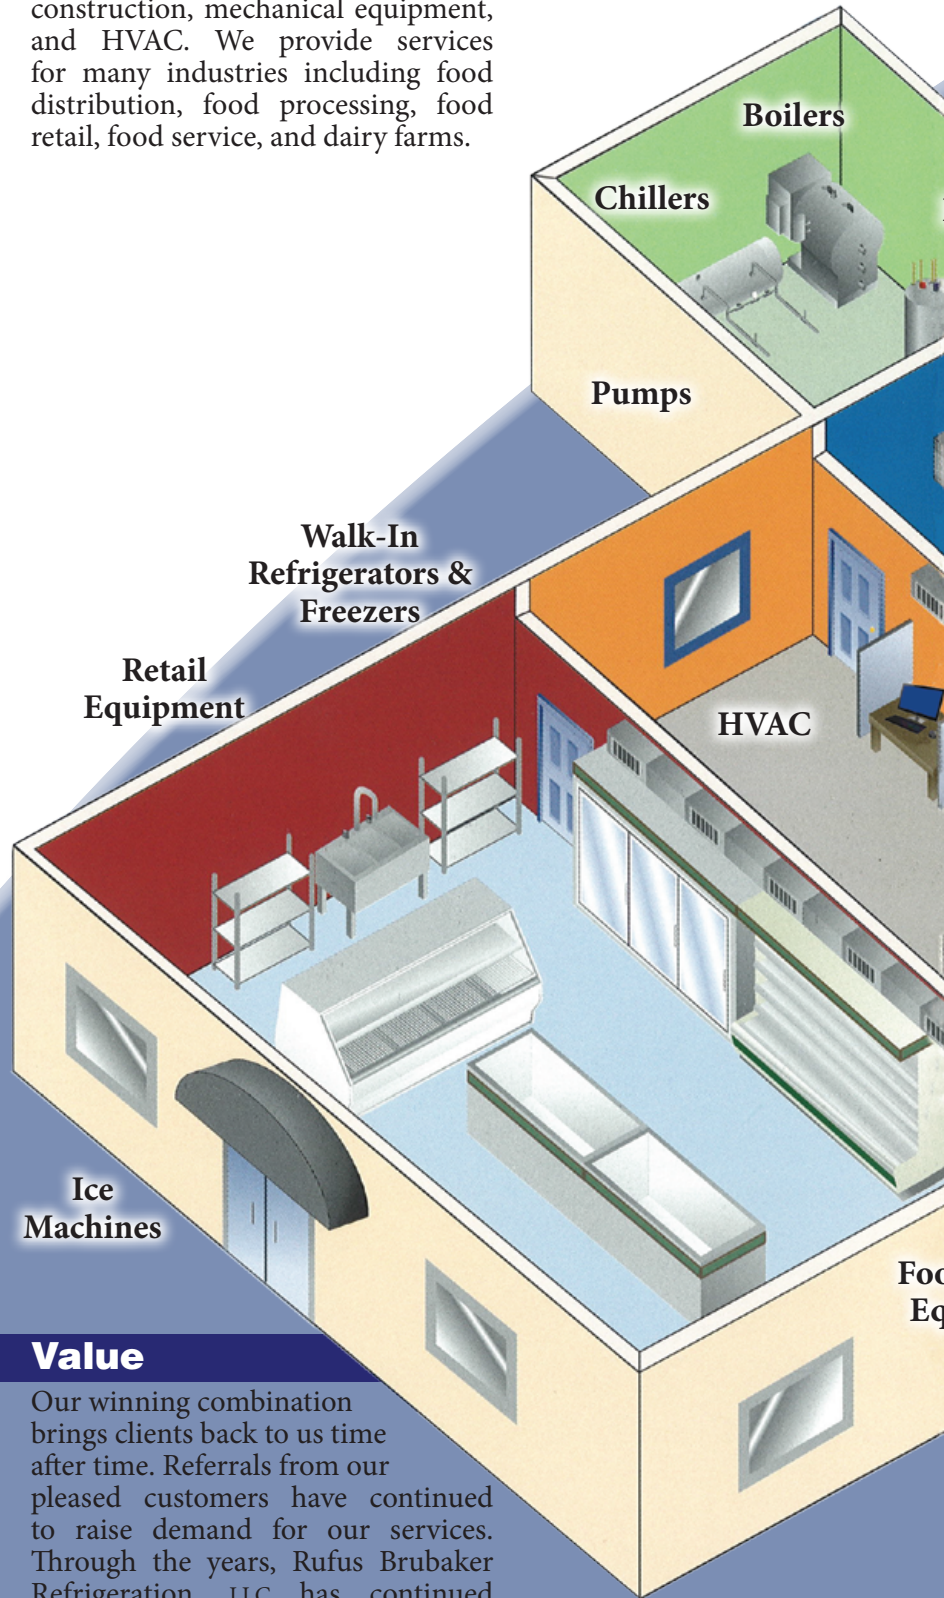

Rufus Brubaker Refrigeration LLC

Full-Service

From the smallest repair to new construction and renovation, Rufus Brubaker Refrigeration, LLC is your full service company. We specialize in refrigeration, cold storage construction, mechanical equipment, and HVAC. We provide services for many industries including food distribution, food processing, food retail, food service, and dairy farms.

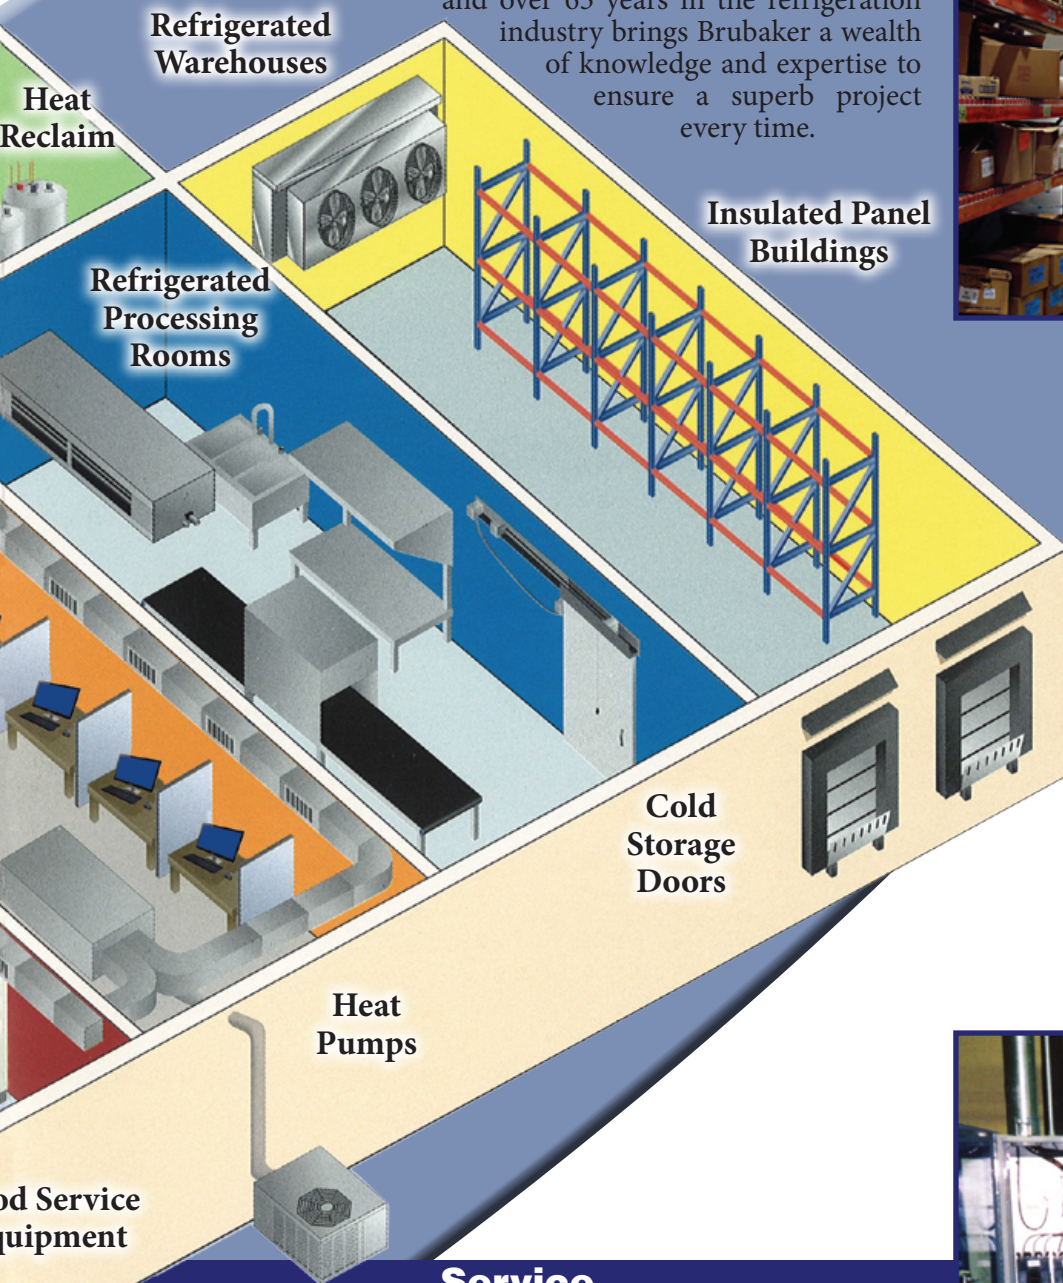

Value

Our winning combination brings clients back to us time after time. Referrals from our pleased customers have continued to raise demand for our services. Through the years, Rufus Brubaker Refrigeration, LLC has continued growing to meet the demand. Allow us to prove our value to you.

Installation

Our extensive design/build capabilities provide our clients with first-rate custom-tailored installations to fully suit their budget. We bring value to every project by analyzing many angles to balance initial cost and long-term expense. Spanning three generations and over 65 years in the refrigeration industry brings Brubaker a wealth of knowledge and expertise to ensure a superb project every time.

Service

Rufus Brubaker Refrigeration, LLC is with you during the design and installation and continues serving you through maintenance and service. Our skilled around-the-clock service ensures your equipment will experience minimum down time. Whether you need regular preventative maintenance to prolong equipment life or need emergency repair to rescue your assets, Brubaker delivers.
